

House Resolution No. 2776

Whereas, the members of the Missouri House of Representatives realize that the rank of Eagle Scout is a performance-based achievement, the proud standards of which have been well maintained for many years; and

Whereas, Clayton Matthew Jansen of Advance, Missouri, was found worthy to distinguish himself as an Eagle Scout upon completion of all requirements for that prestigious rank; and

Whereas, Clayton, a member of the Boy Scouts of America organization, successfully met the requirements to attain Eagle status by completing his Eagle project which involved installing two flagpoles with dusk-to-dawn lighting at the entrance to the parish cemetery at St. John's Church; and

Whereas, during his years in Scouting, Clayton mastered several challenging and diverse skills to earn twenty-eight merit badges and membership in the Order of the Arrow; and

Whereas, currently an Assistant Scoutmaster, Clayton demonstrated his capability and willingness to exert authority by fulfilling the duties and responsibilities of various leadership positions; and

Whereas, Clayton developed immense personal growth and fitness by participating in the many assorted activities the Boy Scouts offers, some of which include attending summer camp and winning First Place in the Klondike Derby; and

Whereas, active in his Church Youth Group, Clayton has realized these and other achievements with the love, support, and encouragement of his scoutmaster, family, and friends, including his parents, Lindy and Cindy Jansen; his grandparents, Mr. and Mrs. Luke Jansen and Mr. and Mrs. Ambrose Peters; and his great-grandmother, Mrs. Lillie Welter:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously in extending our most hearty congratulations to Clayton Jansen for the steadfast determination he displayed in his pursuit to attain the rank of Eagle and in wishing him only the best for his plans to major in computers at DeVry University in Kansas City and own his own computer store; and
